### *International Society of Nephrology*

Any elected member of a national society of nephrology is eligible for membership in the *International Society of Nephrology*, receipt of the Society's official Journal, *Kidney International*, and participation in the 1975 International Congress at a one-third reduction in the registration fee. A subscription to *Kidney International* for calendar year 1975 is included in the annual 1975 dues of US \$35.00. Individuals who are already members should remit their 1975 dues directly to Dr. Neal S. Bricker, Treasurer, *International Society of Nephrology*, Department of Medicine, Albert Einstein College of Medicine, 1300 Morris Park Avenue, New York, NY 10461, U.S.A. Checks should be made payable to the *International Society of Nephrology*. Potential new members can secure application forms for membership by writing directly to Dr. Herman Villarreal, Secretary General, International Society of Nephrology, Departamento de Nefrologia, Instituto Nacional de Cardiologia, Avenida Cuauhtémoc 300, Mexico 7, D.F. Checks for the first year's annual dues (US \$35.00) should be enclosed with the completed application (made payable to the *International Society of Nephrology*).

### *Continuity of Subscription to Kidney International*

It is of the utmost importance for members of the *International Society of Nephrology* to remit their 1975 dues (US \$35.00) immediately to the Office of the Treasurer. Otherwise, the continuity of subscription to *Kidney International* cannot be assured. Note: payment of the registration fee (either the reduced fee for members or the full fee for non members) for the 1975 Congress in Florence does *not* include payment of the Society's annual dues (which also includes subscription to the Journal).
